Creating Your Fiber Story with Emily Foden

YOUR KIT FEE PROVIDES:

- Lots and lots of VIOLA yarn in a variety of colors, fibers and weights. There will be plenty of yarn for everyone, but if you wish to bring your own yarns as well you are welcome to.
- Extra paper for note taking, sketching, painting for visual research.
- Watercolors, brushes, colored pencils & crayons for visual research.
- Worksheets for visual exploration.

MATERIALS NEEDED

Please bring the following with you to class:

- A notebook or sketchbook of any shape, size and format that inspires.
- Knitting needles in as many sizes as you can manage. An interchangeable kit is really handy, but as complete a range as possible from US4/3.5mm to US10/6mm will also work.
- Pen, pencil, paint, brushes and any other preferred tools. The more options you have the better. There will be shared materials available to the group, but you are encouraged to bring favorite tools and materials.
- Optional: A camera is often helpful, but not necessary for making visual notes.
